Norfolk, VA 23511-6287

Dear Mr. Laughmiller:

You are hereby invited to attend a Restoration Advisory Board (RAB) meeting for the Air Station on Thursday, August 22, 1996. This meeting will be held at the Havelock City Auditorium, 1 Hatteras Avenue, Havelock, NC. The meeting will begin at 7:00 p.m. and will end at approximately 8:00 p.m.

The main topic of discussion will be the Interim Proposed Remedial Action Plan (PRAP) for Operable Unit (OU) 3 (Sites 6 and 7) located aboard the Air Station. The PRAP summarizes all work related to these sites and identifies the preferred alternative for the remediation of contaminated soil and groundwater at OU 3.

Also, a public meeting will be held for OU 3 at the Havelock City Auditorium immediately following the RAB meeting from 8:00 p.m. to 9:00 p.m. for any members of the public who would like to comment on the alternatives identified in the Interim PRAP.

We hope to see you at the RAB meeting. If you need assistance or require additional information, please contact Ms. Rachel Johnson of the Environmental Affairs Department at (919) 466-4421.

Sincerely,

A handwritten signature in cursive script, reading "G. W. Radford", is written over the typed name "G. W. RADFORD".

G. W. RADFORD
Supervisory

Environmental Engineer
By direction of
the Commanding General
